SmartTouch

Incentient

500 N Broadway, Ste 251
 Jericho, NY 11753
 Ph: (516) 938-2121
 www.incentient.com

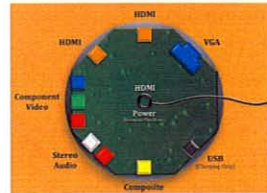

SmartTouch, developed by NY-based Incentient, is an in-room touchscreen that provides hotel guests direct access to all hotel services including room service, spa, concierge, bellman, valet and more. Implemented on a stand-alone or fully-integrated basis, SmartTouch can be optimized to work in any hotel environment. Operating on a wireless local area network, each touchscreen communicates directly with Incentient's on-site, secure server. The multi-lingual software is configured to each individual property and the application can be custom-designed to match the hotel's brand.

Ultra Wide Band Pod

Enseo, Inc.

1680 Prospect Dr, Ste 100
 Richardson, TX 75081
 Ph: (972) 234-2513
 www.enseo.com

The Enseo Ultra Wide Band (UWB) Pod is a guest connectivity panel that provides wireless HD video. It is designed to retrofit the addition of connectivity at the desk across the room from the TV. It features multiple inputs, including HDMI (two), VGA, Component (Y/Pb/Pr), Composite, L/R stereo audio and USB (power charging only). In addition, it has bidirectional control and MPEG-4 / H.264 encrypted video.

Visit Enseo, Inc. in HITEC Booth #730.
